

Are you eager to support the realisation of the United Nations Sustainable Development Goals in Munich? Are you interested in sharpening your consulting skills, while growing your network and helping the local community? Would you like the opportunity to make a difference with an inspiring group of people who are driving positive change?

Impact Consulting (IC) is a global management consulting firm providing pro-bono services to social impact organisations such as startups, NGOs, and social enterprises across 50+ countries. We have a network of 5000+ members and all our projects are aligned with the United Nations Sustainable Development Goals.

Impact Consulting Munich Hub takes a more local approach in catering to clients within a 2 hour radius of Munich city. We focus specifically on projects that align with at least one of the UN Sustainable Development Goals with **Consultants** and **Engagement Managers** from the local area.

### **Role & Responsibilities of a Consultant**

The responsibilities of the Consultant role include, but are not limited to:

- Core analysis and research activities on your project
- Identification of key insights
- Problem-solving with the team
- Delivering client presentations alongside the Engagement Manager
- Project reporting

### **Role & Responsibilities of an Engagement Manager (EM)**

The EM is responsible for managing the overall direction & ensuring the success of the project, which involves:

- Mentoring & leading the team of consultants on your project
- Leading all client interactions
- Planning and organizing all team and client meetings
- Engaging regularly with your project's Business Development Manager & IC's consulting community

- Project Reporting

## **Working Hours**

The required time commitment for all team members on a project is a minimum of 6 hours of work per week. This may vary depending on, among other things, the stage of the project and the needs of the team and client. Projects are typically 3 months in duration.

## **Benefits**

- Expand your network: Connect with an array of talented individuals & organizations locally.
- Develop new skills: Learn about a variety of industries, enhance consulting skills, experience first-hand how sustainability goals become reality and boost your career prospects.
- Make a difference: Support a social impact organization in bringing positive change to society in Germany.

Please note that we provide a pro-bono service to our clients & that all our positions are UNPAID.

## **Requirements**

- Fluent (CEFR - C1/C2) in English. Fluency in German is a plus.
- Able to commit a minimum of 6 hours/week for the duration of at least 1 project
- Preferably living in or within a 2 hour radius of Munich city
- Skilled in problem-solving, teamwork & communication, with an ability to learn quickly & take initiative
- Consultant role: 0-3 years of professional experience. Ambitious university/HBO students residing in the region are also encouraged to apply.

- EM role: 5+ years of professional experience (project managers, people managers, consultants, customer facing professionals, have a clear advantage). High potential candidates with less years of experience may be also considered.

Experience in management consulting, startups, NGOs, project management or another relevant area is a plus. Check out our website to get a feel about our projects. Please feel free to reach out in case of any doubts or concerns.
